We, as the People of the United States of America, have a very serious Constitutional Crisis and Problem herein the State of Georgia where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are all fully aware that the Petitioner is a Black Disabled United States American Citizen that was terminated wrongfully and unconstitutionally for exercising his United States Guaranteed Constitutional Civil Rights, Liberties, and Freedoms by filing his lawsuit in Federal Court on August 08, 2002 (1:02-CV-2197) that was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 where thereafter, the Respondents unconstitutionally and discriminatorily sabotaged and derailed the Petitioner's ongoing Federally Filed Lawsuit Case (1:02-CV-2197) where the Respondents violated (7) seven courts of Obstructing Federal Justice and (2) two counts of Perjury as the Respondents' violated and broken State, Federal, and Constitutional Laws where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia cannot unconstitutionally or discriminatorily use "the doctrine of res judicata" from a Perjured Non-Existence September 10, 2001 lie and a Perjured Non-Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, or Justify the Respondents' Criminal Conduct

and Activities of (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjury after the Petitioner's August 08, 2002 lawsuit filing (28 U.S.C. &2403(a)).

The Judiciary Process herein the State of Georgia is so Prejudice and Discriminatory that the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are all fully aware that the Respondents' Perjured Non-Existence September 10, 2001lie and the Respondents' Perjured Non-Existence 180 days lie are the lies that have introduced "the doctrine of res judicata" to all of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) that does not apply or exist in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are all fully aware that "the doctrine of res judicata" was created and placed within the Petitioner's August 08, 2002 Lawsuit (1:02-CV-2197) as to sabotaging the Petitioner's August 08, 2002 Lawsuit where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia have condoned and approved of the Respondents' Criminal Conduct and Activities after August 08, 2002 of (7) seven Counts of Obstructing Federal Justice and (2) two counts of Perjury even though, the Petitioner's August 08, 2002 Lawsuit (1:02-CV-2197) was

filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Court on and after August 08, 2002 have not made a impact on the Magistrate Judge, the District Judge, the Appeal Judge herein the State of Georgia at all because the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are not going to protect the Constitutional Civil Rights, Liberties, and Freedoms of the Petitioner as a Black Disabled United States American Citizen (28 U.S.C. &2403(a)).

The Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are all fully aware that "the doctrine of res judicata" grew out of the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are all fully aware that without these Perjured Non-Existence Lies that were unconstitutionally and discriminatorily attached to the Petitioner's August 08, 2002 Lawsuit Case (1:02-CV-2197) would cause "the unconstitutional doctrine of res judicata" to cease to exist in the Petitioner's August 08, 2002 Lawsuit Case where the Magistrate Judge, the District Judge, and the Appeal Judges would be obligated by Federal Law to prosecute all of the Respondents for (7) seven

counts of Obstructing Federal Justice and (2) two counts of Perjury for violation committed by the Respondents after the Petitioner's August 08, 2002 Lawsuit Filing (28 U.S.C. &2403(a)).

"**The doctrine of res judicata**" from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie do not apply or exist in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) **because** the February 12, 2003 Dismissal of the Petitioner's August 08, 2002 Lawsuit (1:02-CV-2197) was **RESCINDED as being declared NULL and VOID** do to a undisclosed Dual Agency Relationship that existed between the Attorney Charles D. Best and the Respondents that **DEAD DOCKETED** this Federally Filed Lawsuit Case (1:02-CV-2197) where this Federal Case was filed by the Petitioner on August 08, 2002 within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 where a Judgment has never been rendered in this Federally Filed Lawsuit Case (1:02-CV-2197) and where the Petitioner's August 08, 2002 Lawsuit was never properly dismissed in accordance with the GEORGIA STATE LAW OF UNDISCLOSED DUAL AGENCY and the FEDERAL RETALIATION and DISCRIMINATION LAWS OF THE E.E.O.C. and the UNITED STATES

CONSTITUTION under TITLES I, V, and VII where the Magistrate Judge, the District, and the Appeal Judges herein the State of Georgia cannot unconstitutionally or discriminatorily use "the doctrine of res judicata" from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non- Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, or Justify the Respondents' Criminal Conduct and Activities after August 08, 2002 of (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjured (28 U.S.C. &2403(a)).

The United States Attorney **DAVID E. NAHMIAS** and the Assistant United States Attorney **MELAINE A. WILLIAMS** should be representing the Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) against the Respondents (7) seven counts of Obstructing Federal Justice including (2) two counts of perjury that was committed by the Respondents after the Petitioner's August 08, 2002 lawsuit filing **that was in retaliation for the Petitioner filing his lawsuit in Federal Court on August 08, 2002.**

The Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are all fully aware that the Petitioner was a State of Georgia Employee with an E.E.O.C. 300 days Entitlement for filing his Lawsuit **that existed**

between October 22, 2001 to August 18, 2002 in accordance with the Federal Laws of E.E.O.C. and the United States Constitution where this Federally Filed Lawsuit Case (1:02-CV-2197) was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 **where "the doctrine of res judicata" does not apply or exist and where the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie do not exist (28 U.S.C. &2403(a)).**

The Reason For Granting This Writ is Because the Magistrate Judge, the District Judge, and the Appeal Judges cannot unconstitutionally or discriminatorily use "The doctrine of res judicata" from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, or Justify the Respondents' Criminal Conduct and Activities after the Petitioner's August 08, 2002 Lawsuit Filing of (7) seven counts of Obstructing Federal Justice including (2) two counts of Perjury:

1. The Petitioner will continue to argue that the Petitioner was a State of Georgia Employee with a total of 300 E.E.O.C. filing days as a State of Georgia Employee's Entitlement

under Federal Laws of the E.E.O.C. **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

2. The Petitioner will continue to argue that the Petitioner mailed his lawsuit complaint into the GEORGIA COMMISSION ON EQUAL OPPORTUNITY on October 17, 2001 where the Intake Coordinator Mr. Todd S. Garrison acknowledged receipt of the Petitioner's Complaint on October 22, 2001 where Mr. Garrison filed and transferred the Petitioner's Complaint on October 22, 2001 to the Federal E.E.O.C. as requested by the Petitioner **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

The Petitioner will continue to argue that the Petitioner's E.E.O.C. 300 days filing statutory time period **started on October 22, 2001 and ended on August 18, 2002 where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

4. The Petitioner will continue to argue that the Petitioner **received his Right to Sue Letter from the E.E.O.C. on May 15, 2002** where Petitioner had to file his lawsuit complaint in State or Federal Court within 90 days from receipt of that Right to Sue Letter **that ended on August 13, 2002 where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

5. The Petitioner will continue to argue that the Petitioner filed his lawsuit complaint **in Federal Court on August 08, 2002** within

the legal filing limits of the E.E.O.C. 300 days and 90 days Statues that were before the date of August 13, 2002 and August 18, 2002 statutory ending dates **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403)).**

6. The Petitioner will continue to argue that the Petitioner's lawsuit complaint was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues **where the Petitioner's lawsuit complaint (1:02-CV-2197) came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the respondents' Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

7. The Petitioner will continue to argue that the Petitioner hired the Attorney Charles D.

Best on September 09, 2002 after the Petitioner's August 08, 2002 Lawsuit Filing was already filed in Federal Court **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondent's Perjured No-Existence 180 days in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

8. The Petitioner will continue to argue that while the Petitioner was on authorized leave under the Doctor's care and treatment while awaiting surgery **that was in accordance with the DSC-OPS-MS 190 REGULATED 1995 JOB DESCRIPTION that has never been altered, amended, deleted, or changed in accordance with the State of Georgia DOD Personnel Policies and Procedures upon a Performance Management Plan (P.M.P)** where on September 27, 2002, the Respondents was properly served by the Attorney Charles D. Best with thePetitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) where the Attorney Charles D. Best retained possession of those United States Courthouse Serving Papers Documents after

they had been served and signed by the Respondents where the Attorney Charles D. Best had until December 06, 2002 to file those Serving Papers Documents in Federal Court, but the Attorney Charles D. Best and the Respondents decided to engaged themselves into an illegal, unlawful, and unconstitutional undisclosed Dual Agency Relationship **that is prohibited by the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Titles I, V, and VII** while this Federally Filed lawsuit Case (1:02-CV-2197) was already established under the Federal Judiciary Protection Powers of the Federal Courts on and after the Petitioner's August 08, 2002 lawsuit filing where this undisclosed Dual Agency Relationship between the Respondents and the Attorney Charles D. Best was and is a violation against State, Federal, and Constitutional Laws **where this was an illegal, unlawful, and unconstitutional violation of Obstructing Federal Justice as Count Number (1) One where the Petitioner is requesting that the U.S. Department of Justice investigate and prosecute accordingly where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence**

September 10, 2001 lie and the Respondents' Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).

9. The Petitioner will continue to argue that on September 27, 2002 while the Petitioner was under the Doctor's care and treatment awaiting surgery that the Attorney Charles D. Best and the Respondents under an undisclosed Dual Agency Relationship used the United States Courthouse Serving Papers as their instrument of exchange **as the Attorney Charles D. Best and the Respondents BOUGHT, SOLD, and RAPED the Petitioner of all of his United States Guaranteed Constitutional Civil Rights, Liberties, and Freedoms as a Black Disabled United States American Citizen where the Attorney Charles D. Best and the Respondents DEAD DOCKETED this Federally Filed Lawsuit Case (1:02-CV-2197) on September 27, 2002** as the Respondents and the Attorney Charles D. Best reduced the Petitioner's United States American Citizenship down to something less than a Slave **while this Federally Filed Lawsuit Case (1:02-CV-2197) had already came under the Federal Judiciary Protection Powers of**

the Federal Courts on and after August 08, 2002 where this was an illegal, unlawful, and unconstitutional violation of Obstructing Federal Justice as Count Number (2) Two **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

10. The Petitioner will continue to argue that on September 27, 2002 as the Petitioner was under the Doctor's care and treatment awaiting surgery that the Attorney Charles D. Best and the Respondents were engaged deeply in a undisclosed Dual Agency Relationship **where the Respondents terminated the Petitioner's Employment from the State of Georgia DOD without having an established, required upon, properly signed, prerequisite, Performance Management Plan (P.M.P.) and without having any justifiable Probable Cause for their actions** while this Federally Filed Case (1:02-CV-2197) had already came under the Federal Judiciary Protection Power of the Federal Courts on and after August 08, 2002 where **this was**

an illegal, unlawful, and unconstitutional violation of Obstructing Federal Justice as Count Number (3) Three where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Case that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).

11. The Petitioner will continue to argue that during the months of November and December 2002 while the Attorney Charles D. Best and the Respondents were deeply engaged in an illegal, unlawful, and unconstitutional undisclosed Dual Agency Relationship **that the Administrative Hearing Judge permitted and allowed the Respondents to continue with a character assassination against the Petitioner without having an established P.M.P. and without having any justifiable Probable Cause for their actions of terminating the Petitioner's Employment** where the Respondents, the Attorney Charles D. Best, and the Administrative Hearing Judge deliberately permitted and allowed these proceedings to continue without having any justifiable Probable Cause where they were all fully aware and knowledgeable of the

Petitioner's August 08, 2002 lawsuit filing in Federal Court that had already came under the Federal Judiciary Protection Powers of the Federal Courts **because the Administrative Hearing Judge confirmed with everyone at the beginning of these proceedings where the Administrative Hearing Judge stated that it was to his understanding that there was a Federally Filed Lawsuit Case pending that had been filed and served where the Judge asked the Attorney Charles D. Best as to how did he wanted to proceed** where the Attorney Charles D. Best stated that he was going to allow both track to run at the same time **where the Respondents never said or communicated at no time during these proceedings that the Respondents had not been served the Petitioner's Lawsuit documents by the Petitioner or the Petitioner's Attorney or that the Respondents did not have any knowledge of any Federally Filed Case that had been filed or served by the Petitioner** where the Respondents, the Attorney Charles D, Best and the Administrative Hearing Judge were all deeply engaged within this undisclosed Dual Agency Relationship by allowing these proceedings to continue without having an established, required upon, properly signed, prerequisite Performance Management Plan (P.M.P.) or without having any justifiable

Probable Cause for their actions for terminating the Petitioner's Employment where this was an illegal, unlawful, and unconstitutional violation of Obstructing Federal Justice as Count Number (4) Four **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case(1:02-CV-2197) (28 U.S.C. &2403(a))**.

12. The Petitioner will continue to argue that on January 13, 2003 that the United States District Court issued the Petitioner a SHOW CAUSE order where the Petitioner immediately turned over to the Attorney Charles D. Best where the Attorney Charles D. Best was deeply engaged in an illegal, unlawful, and unconstitutional undisclosed Dual Agency Relationship with the Respondents where the Petitioner instructed the Attorney Charles D. Best to file a statement of fact to the Federal Court explaining why the United States Courthouse Serving Papers had not been filed in Federal Court prior to December 06, 2002 where the Attorney Charles D. Best and the Respondents under an undisclosed Dual Agency Relationship were

knowledgeable of the facts as to why these United States Courthouse Serving Papers had not been filed in Federal Court prior to December 06, 2002 where the Attorney Charles D. Best and the Respondents had an obligation to disclose all known and knowledgeable Material facts to the Federal Courts concerning this Federally Filed Lawsuit Case (1:02-CV-2197) that was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 **where the Attorney Charles D. Best and the Respondents refused to disclose known and knowledgeable Material Facts to the Federal Court under this SHOW CAUSE order under their undisclosed Dual Agency Relationship where the Respondents and the Attorney Charles D. Best committed an act of Obstructing Federal Justice including an act of Perjury before, on, and after January 13, 2003 Show Cause Order from the United States District Court** where this was an illegal, unlawful, and unconstitutional violation of Obstructing Federal Justice as Court Number (5) Five including (1) One count of Perjury **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence**

September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).

13. The Petitioner will continue to argue that on February 12, 2003 while the Attorney Charles D. Best and the Respondents were deeply engaged in an illegal, unlawful, and unconstitutional undisclosed Dual Agency Relationship **that the Attorney Charles D. Best and the Respondents dismissed the Petitioner's Federally Filed Lawsuit Case (1:02-CV-2197)** while this Federally Filed Lawsuit Case (1:02-CV-2197) was under the Federal Judiciary Protection Powers of the Federal Courts on and after the Petitioner's August 08, 2002 lawsuit filing in Federal Court where this was an illegal, unlawful, and unconstitutional violation of Obstructing Federal Justice as Count Number (6) Six **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

14. The Petitioner will continue to argue that all of the transactions made by the Attorney Charles D. Best and the Respondents under their undisclosed Dual Agency Relationship after September 27, 2002 have been **RESCINDED** as being declared **NULL and VOID** by the Petitioner in accordance with the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Titles I. V, and VII where the Petitioner filed all of his Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) in Federal Court that addresses the Respondents' Criminal Activities of (7) seven counts of Obstructing Federal Justice including (2) two counts of Perjury starting on August 19, 2004 as to the updating of the Petitioner's August 08, 2002 Lawsuit Files of the Petitioner's August 08, 2002 Lawsuit Case (1:02-CV-2197) as a Pro-Se Litigant **where the Respondents and the Respondents' Attorneys (known as G. Melton, Mobley, Bryan K. Webb, Dennis R. Dunn, and Thurbert E. Baker) deliberately submitted and created an illegal, unlawful, and unconstitutional testimony of a perjured non-existence September 10, 2001 lie and a perjured non-existence 180 days lie as a direct**

means as to deceiving the Federal Court with this deception in order to justify the uses of "the doctrine of res judicata" that does not apply in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) while the Respondents and the Respondents' Attorneys knew for a fact that "the doctrine of res judicata" did not apply or existed from the Respondents' Perjured Non-Existence September 10, 200 lie and the Respondents' Perjured Non-Existence 180 days was a lie within any of the Petitioner's Federally Filed Lawsuit Cases that were filed under this Federal Case (1:02-CV-2197) where the Respondents and the Respondents' Attorneys deliberately created a deception and lied to deceiving the Federal Courts while refusing to disclose a known and knowledgeable Material Fact where the Respondents and the Respondents' Attorneys knew for a fact that the Petitioner was a State of Georgia Employee with an E.E.O.C. Entitlement of 300 filing days that started on October 22, 2001 and ended on August 18, 2002 where the Respondents and the Respondents' Attorneys knew for a fact that the Petitioner's was issued an E.E.O.C. Right to Sue Letter on May 15, 2002 that started on May 15, 2002 and ended on August 13, 2002 where the Respondents and the

Respondents' Attorneys legally, unlawful, and unconstitutional created a violation of Obstructing Federal Justice as Count Number (7) seven including (1) one counts of Perjury **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

The Respondents created a illegal, unlawful, and unconstitutional charge of Unauthorized Leave against the Petitioner's Employment to Cover up and Justify their unconstitutional Criminal Conduct and Activities of Obstructing Federal Justice where the Respondents deliberately violated State, Federal, and Constitutional Laws after the Petitioner's August 08, 2002 Lawsuit filing where the Petitioner had a total of 358 hours of Annual Leave on the books in the files of Personnel Office including a total of 344 hours of Sick Leave and a total of 181 hours of Compensation Leave and a total of 8 hours of an untaken 4th of July Holiday with a total of 8 hours of an untaken Labor Day Holiday that Petitioner had already built up and maintained in his Personnel files over a course of 16 years of faithful service.

The Petitioner's overwhelming body of evidences started where the Respondents violating their own State of Georgia DOD Policies, Procedures, Guidelines, and Regulations after Petitioner's August 08, 2002 Lawsuit filing (1:02-CV-2197) where the Petitioner can prove beyond any shallows of any doubts that on September 27, 2002 that the Respondents illegally, unlawfully, and unconstitutional terminated the Petitioner's Employment from the State of Georgia without having an established, required upon, properly signed, prerequisite Performance Management Plan (P.M.P.) **where in accordance with the State of Georgia DOD Personnel Policies and Procedures where it is absolutely impossible to terminate any State of Georgia DOD Employee without an established, required upon, properly signed, prerequisite Performance Management Plan (P.M.P.),** but on September 27, 2002, the Respondents proceeded with an illegal, unlawful, and unconstitutional termination of the Petitioner's Employment without having a P.M.P. or without having any justifiable Probable Cause in taking any of the actions that the Respondents have taken against the Petitioner's Employment as a Black Disabled United States American Citizen that was under the Doctor's Care and Treatment awaiting surgery **where the Respondents retaliated against the Petitioner's where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence**

September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days in any of the Petitioner's Federally Filed Lawsuit Cases that was filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).

In the year 1995, **the Respondents gave the Petitioner the authority in writing to schedule and approval leave for himself and his employees on a retroactive bases under the doctrine of the DCS-OPS-MS 190 REGULATED 1995 JOB DESCRIPTION** where the Petitioner scheduled and performed his duties under this doctrine on a day to day bases for more than (7) seven years with absolutely no problems or complaints whatsoever from the Respondents where the Respondents turned-in excellent evaluation reports on the Petitioner's Job Performances under this 1995 doctrine over the course of these (7) seven years **where the Respondents have never altered, amended, deleted, or changes this 1995 doctrine within boundaries of the State of Georgia Policies, Procedures, Guidelines, and Regulations** with the establishment of a required upon, properly signed, prerequisite Performance Management Plan (P.M.P.) that was always issued to all of the State of Georgia DOD Employees at the beginning of their Performance Management Periods **where the Respondents deliberately violated and discriminated against the Petitioner with this yearly P.M.P. Process and Procedure** where the

Petitioner should have been issued a Performance Management Plan (P.M.P.) at the beginning of the Performance Management Period that should have been in the month of May 2002 with Mark Williams before the Petitioner's August 08, 2002 Lawsuit was Filed before the Respondents' Unconstitutional September 27, 2002 unjustifiable and wrongful Employment Termination **where "the doctrine of res judicata" does not apply or exist from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Non-Existence 180 days in any of the Petitioner's Federally Filed Lawsuit Cases that was filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).**

The Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia are all fully aware of the Petitioner's E.E.O.C. 300 days and 90 days filing statutory time periods that **existed from October 22, 2001 to August 18, 2002 where August 08, 2002 was the 290th day out of 300 days**, and the Petitioner's E.E.O.C. 90 days Right to Sue Letter filing statutory time period that **existed from May 15, 2002 to August 13, 2002 where August 08, 2002 was the 85th day out of 90 days** where the Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002

because **August 08, 2002** does not exceed beyond these two ending statutory filing dates of **August 18, 2002 and August 13, 2002**.

CONCLUSION

The Petitioner is requesting that the United States Attorney **DAVID E. NAHMIAS** and the Assistant United States Attorney **MELAINE A. WILLIAMS** investigate these (7) seven counts of Obstructing Federal Justice charges including (2) two counts of Perjury charges as to finding justifiable Probable Cause as to prosecuting all of the Respondents under these charges within the boundaries of these Federally Filed Cases (1:04-CV-2415, 1:05-CV-1303, 1:05-CV-1781, and 1:05-CV-2274) that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403(a)).

Between all of the unconstitutional and discriminatory paperwork that has been presented to the Federal Courts in all of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) on the behalf of the Respondents by the Respondents' Attorneys, by the Magistrate Judge, by the District Judge, and by the Appeal Judges herein the State of Georgia as to Dismissing, Covering Up, and Justifying "the unconstitutional doctrine of res judicata" cannot produce not one single official sheet of paper that can be used as evidences or proof on the behalf of

the Respondents **that will validate, confirm, or enforce the legitimacy of the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie from which "the unconstitutional doctrine of res judicata" actually grew out of** because the Respondents' Attorneys herein the State of Georgia have submitted paperwork to the Federal Courts that possess no evidences or proof, the Magistrate Judge herein the State of Georgia has submitted paperwork to the Federal Courts that possess no evidences or proof, the District Judge herein the State of Georgia has submitted paperwork to the Federal Courts that possess no evidences or proof, and the Appeal Judges herein the State of Georgia have submitted paperwork to the Federal Courts that possess no evidences or proof where the Petitioner and the Federal Courts have not seen any evidences or proof that would justify "the doctrine of res judicata" in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C. &2403)).

For all of the foregoing reasons explained above, Sgt. Emmett L. Williams' Petition for Certiorari should be granted and the illegal, unlawful, and unconstitutional discriminatory Decisions, Orders, and Judgments to Dismiss, Cover Up, or Justify the Respondents' Criminal Conduct and Activities after the Petitioner's August 08, 2002 Lawsuit Filing that was based on

"the doctrine of res judicata" from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjured Non-Existence 180 days lie in any of the Petitioner's Federally Filed Lawsuit Cases that was filed under this Federal Case (1:02-CV-2187) should be vacated, reversed, and remanded for all future proceedings to be consistent with this action because the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia cannot unconstitutionally or discriminatorily use "**the doctrine of res judicata" from the Respondents' Perjured Non-Existence September 10, 2001 lie and the Respondents' Perjury Non-Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, or Justify the Respondents' Criminal Conduct andActivities of (7) seven counts of Obstructing Federal Justice including (2) two counts of Perjury** where "the doctrine of res judicata" does not apply or exist in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) (28 U.S.C &2403(a)).

FINAL REPORT AND RECOMMENDATION

AND ORDER

Plaintiff, who is proceeding without counsel, filed this action on July 7, 2005 against his former employer and three of its employees. Although the exact nature of plaintiff's allegations is unclear, he refers repeatedly to Title VII of the Civil Rights Act of 1964, 42 U.S.C. & 2000e, et seq. ("Title VII"), and ti his termination from employment by the State of Georgia in September 2002. (See Doc. 1). This action is presented before the court on defendants' Motion to Dismiss (Doc. 7) and on two motions filed by plaintiff (Doc. 8 and 9), both of which, in addition to functioning as responses to

Appendix A

defendants' Motion, seek to "amend into the record" evidence and other information purportedly supporting plaintiff's claim.

For reasons discussed below, the undersigned RECOMMENDS that defendants' Motion to Dismiss (Doc. 7) be GRANTED and that this action be DISMISSED with prejudice.

The court construes plaintiff's motion as responses to defendants' Motion to Dismiss and his considered them. To the extent plaintiff seeks any other action by the court, his motions (Docs. 8 and 9) are DENIED.

I. BACKGROUND

To date, plaintiff has filed four civil actions in this court, all of which rely on Title VII and are related to his termination from employment by the State of Georgia. On August 8, 2002,

(Petitioner's Footnote Correction: The Plaintiff filed his lawsuit in Federal Court on August 08, 2002 as a Pro-Se Litigant within the legal filing limits of the E.E.O.C. 300 days and 90 days statues where the Plaintiff August 08, 2002 Federally Filed Lawsuit Case came under the Federal Judicial Protection Powers of the Federal Courts where the Attorney Charles D. Best was not hired until September 09, 2002)

plaintiff, who was then represented by counsel, filed Civil Action No. 1:02-CV-2197-RLV ("Williams I") against the State of Georgia and two of its employees (Sandra Bruce and Raymond Faunt).

Appendix A

(Plaintiff's Footnote Correction: The Defendants Sandra Bruce and Raymond Faunt were name as apart of an overall Conspiracy where more defendants would be named later as the facts of evidences and facts unfolded that was mentioned and stated within that brief.)

After failing to serve process in a timely manner,

(Petitioner's Footnote Correction: While the Plaintiff's August 08, 2002 Federally Filed Lawsuit Case was under the Federal Judiciary Protection Powers of the Federal Courts, the Defendants were served on September 27, 2002 by the Attorney Charles D. Best where the Attorney Charles D. Best retained possession of the United States Courthouse Serving Papers after the serving process was completed where the Attorney Charles D. Best and the Defendants formed an illegal, unlawful, and unconstitutional Undisclosed Dual Agency Relationship where the Attorney Charles D. Best and Defendants used the United States Courthouse Serving Papers as an instrument of exchange where the Attorney Charles D. Best and the Defendants illegally, unlawfully, and unconstitutionally sold, purchased, and RAPED the Plaintiff of all of his United States Guaranteed Constitutional Civil Rights, Liberties, and Freedoms as a Black Disabled United States American Citizen where the Attorney Charles D. Best and the Defendants reduced the Plaintiff's United States American Citizenship down to something less than a Slave where the Attorney Charles D. Best and the Defendants DEAD DOCKETED this Federally Filed Lawsuit Case (1:02-CV-2197) (28 U.S.C. &2403(a)).)

plaintiff voluntarily dismissed Williams I (without prejudice) on February 12, 2003.

(Petitioner's Footnote Correction: The Attorney Charles D. Best and the Defendants were engaged in an illegal, unlawful, and unconstitutional undisclosed Dual Agency Relationship at the time that this document of dismissal was created and filed where the Plaintiff's signature of consent is nowhere on

this document agreeing to anything where the Magistrate Judge has drawn her conclusion as to what the Defendants have told her from absolutely nothing where the Plaintiff have RESCINDED all transactions made by the Attorney Charles D. Best and the Defendants after September 27, 2002 where this February 12, 2003 document has been declared NULL and VOID by the Plaintiff where the Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) that was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of Federal Courts is active, legal, valid, and enforceable (28 U.S.C. &2403(a)).)

On August 19, 2004, plaintiff (without the assistance of counsel) filed Civil Action No. 1:04-CV-2415-RLV ("Williams II") against the State of Georgia and three of its employees (Ed Chamberlain, Sandra Bruce, and Raymond Faunt), making essentially the same allegations as in Williams I. On February 24, 2005, Judge Vining dismissed Williams II with prejudice because plaintiff had not filed it within 90 days of receiving notification from the Equal Employment Opportunity Commission of his right to sue under Title VII. Plaintiff Filed an appeal on March 8, 2005, which is still pending.

(Petitioner's Footnote Correction: The Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) that was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues was illegally, unlawfully, and unconstitutionally violated by the Attorney Charles D. Best and the Defendants after August 08, 2002 while this Federally Filed Lawsuit Case (1:02-CV-2197) was under the Federal

Appendix A

Judiciary Protection Powers of the Federal Courts where the Attorney Charles D. Best and the Defendants have a grant total of (7) seven counts of Obstructing Federal Justice that including (2) two counts of Perjury after August 08, 2002 where the Attorney Charles D. Best and the Defendants violated, discriminated, sabotaged, and derailed an ongoing Federal Filed Lawsuit Case where the Attorney Charles D. Best and the Defendants violated and broken the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Titles I, V, and VII where all (4) of the Petitioner's Federal Filed Lawsuit Cases after August 08, 2002 were justifiably Filed against all of the Defendants for (7) seven counts of Obstructing Federal Justice including (2) counts of Perjury as a updated filing to the Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) (28 U.S.C.&2403(a).)

On May 17, 2005, plaintiff filed Civil Action No 1:05-CV-1303-RLV ("Williams") against the same defendants as in Williams II with the additional of David Poythress (also an employee of the State of Georgia) and Charles D. Best (plaintiff's Former attorney). A motion to Dismiss is currently pending in Williams III, which is the subject of a separate Report and Recommendation filed contemporaneously herewith.

Finally, on July 7, 2005, plaintiff filed the instant civil action ('Williams IV") against the State of Georgia and General Poythress, as well as two previously unnamed defendant: Thomas H. Blackstock and James Brune, both employees of the State of Georgia. Plaintiff's claims in Williams IV, like those in Williams

Appendix A

I, II, and III are related to his termination from employment in September 2002.

II. DISCUSSION

Defendants argue that plaintiff's claim are barred by res judicate (Doc. 7, Brief a 10-12). "The doctrine of res judicata", or claim preclusion, forecloses relitigation of matters actually or potentially litigated in an earlier lawsuit. The doctrine applies only if four elements are present: 1) there is a final judgment on the merits of the first action, 2) the first decision is rendered by a court of competent jurisdiction, 3) the parties to both suits are indentical." Richardson v. Alabama State Bd. of Educ., 935 F.2d 1240, 1244 (11th Cir. 1991)(citation omitted). The first two factor are plainly present in this case. A final judgment has been entered in Williams II by a court of competent jurisdiction.

(Petitioner's Footnote Comments and Arguments: The Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia cannot unconstitutionally use "the doctrine of res judicata" in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) because the original Federally Filed Lawsuit Case (1:02-CV-2197) must have been properly dismissed or where a judgment must have been properly rendered within this Federally Filed Lawsuit Case (1:02-CV-2197) by the Federal Courts where a Judgment has never been rendered within this Federally Filed Lawsuit Case

Appendix A

(1:02-CV-2197) and where a proper dismissal has never been properly filed within this Federally Filed Lawsuit Case (1:02-CV-2197) in accordance with the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Titles I, V, and VII where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia cannot unconstitutionally use "the doctrine of res judicata" with a Perjured Non-Existence September 10, 2001 lie and a Perjured Non-Existence 180 days lie as Reasons, Grounds and Merits to Dismiss, Cover Up, or Justify the Respondents' Criminal Conduct and Activities of (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjury (28 U.S.C. &2403(a)).

> With respect to the third factor, it plainly applies to the State of Georgia, which was also a defendant in Williams II. It also applies to defendants Poythress, Blackstock, and Bruno, although they were not defendants in Williams II, because they are in privity with the State of Georgia for purposes of plaintiff's Title VII claims. See Pelletier v. Zweifel 921 F.2d 1465, 1502 (11th Cir. 1991)("Where.....the relations between two parties are analogous to that of principal and agent, the rule is that a judgment in favor of either, in an action brought by a third party, rendered upon a ground equally applicable to both, is to be accepted as conclusive against the plaintiff's right of action against another.")(internal quotation marks omitted); Womack v. American Telephone & Telegraph Co., 982 F.Supp. 1460, 1463 (M.D.Ala 1997)(applying res judicata in favor of employees of the plaintiff's employer in a Title

Appendix A

VII case); John Street Leasehold, LLC v. Capital Management Resources, LP, 283 F.3d 73, 75 (2d Cir. 2002)(finding employees in privity with employer). Although the caption on plaintiff's complaint states that these defendants have been sued in their individual capacities (aswell as their official capacities), because plaintiff brings his claims pursuant to Title VII, claims against these individuals in their individual capacities may not be maintained. See Busby v. City of Orlando, 931 F.2d 764, 772 (11th Cir. 1991)("The relief granted under Title VII is against the employer……").

(The Petitioner's Footnote Comment and Argument: The Petitioner has sued all of the Defendants in their individual Official Capacities which these facts are begin twisted by the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia as being something different then it actually is where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia have unconstitutionally declared themselves as the Respondents' Unofficial Attorneys where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia have been wasting up a lot of valuable time and effort Pleading the Respondents' Case with unwarranted Dead Case Files that is supported by "the doctrines of res judicata" that does not apply to any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) that have been opposed to the Judges actually looking at facts that have surround this Federally Filed Lawsuit Case (1:02-CV-2197) that was properly filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Court on and

after August 08, 2002 where a Judgment has never been rendered in this Federally Filed Lawsuit Case (1:02-CV-2197) where the Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1-02-CV-2197) was never properly dismissed in accordance with the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Titles I, V, and VII where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia cannot unconstitutionally use "the doctrine of res judicata" with a Perjured Non-Existence September 10, 2001 lie and Perjured Non-Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, or Justify the Respondents' Criminal Conduct and Activities after August 08, 2002 of (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjury (28 U.S.C. &2403(a))).

Finally, with respect to the fourth factor required for application of res judicata – identify of the causes of action – to the extent plaintiff's complaint in Williams IV could be construed as containing claims not raised in Williams II, claim preclusion nonetheless applies because all of the claims arise from the same nucleus of operative fact – the circumstances surrounding plaintiff's termination. See e.g. Kaspar Wire Works, Inc. V. Leco Eng'g & Mach., Inc., 575 F.2d 530, 535 (5th Cir. 1978)(finding that claim preclusion "exends to litigation of all issues relevant to the same claim between that same parties, whether or not raised at trial"); Israel Discount Bank Ltd v. Entin, 951 F.2d 311, 315 (11th Cir. 1992)("In general, cases involve the same nucleus of

operative fact, or is based upon the same factual predicate, as a former action.").

III. CONCLUSION

For the reasons stated, the undersigned RECOMMENDS that defendants' Motion to Dismiss (Doc.7) be GRANTED and that this action be DISMISSED with prejudice. Plaintiff's motions (Docs 8 and 9) are DENIED.

At the conclusion of defendants' brief, they ask the court to issue an injunction barring plaintiff from filing additional cases against them (and presumably against the defendants in Williams I, II, and III) without the court's express permission. (Doc.7, Brief at 14). The undersigned does not believe that such an injunction is warranted at time and therefore RECOMMENDS that defendants' request for an injunction be DENIED. Plaintiff is warned, however, that he could be ordered to pay monetary sanction if additional frivolous lawsuits are filed.

IT IS SO OREDERED AND RECOMMENDED, this 31st day of August, 2005.

(The Petitioner's Footnote Comments and Argument: This Judgment that was rendered from the District Judge on this case 1:05-CV-1781 that was filed under this Federal Case 1:02-CV-2197 is a perfect example as to how the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia have been enforcing the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Title I, V, and VII after the Petitioner's August 08, 2002 Lawsuit Filing (1:02-CV-2197) that was filed within legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 where a Judgment has never been rendered in this Federally Filed Lawsuit Case (1:02-CV-2197) where the Petitioner's August 08, 2002 Lawsuit was never properly Dismissed in accordance with the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Title I, V, and VII **where the Magistrate Judge, the District Judge, and the Appeals Judges herein the State of Georgia cannot unconstitutionally and discriminatorily use "the doctrine of res judicata" with a Perjured Non-Existence September 10, 2001 lie and Perjured Non-Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, and Justify the Respondents' Criminal Conduct and Activities after August 08, 2002 of (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjury (28 U.S.C. &2403(a)).)**

(The Petitioner's Footnote Comment and Argument that describes how the Respondents' Unconstitutional Anti-E.E.O.C. Jim Crow Conspiracy Scam actually work herein the State of Georgia with the aid and full support and cooperation of the Magistrate Judge, the District Judge, and the Appeal Judges (28 U.S.C. &2403(a))):

a.) After the Petitioner had already filed his Federally Filed Lawsuit Case (1:02-CV-2197) in Federal Court on August 08, 2002 within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Court on and after August 08, 2002, the Respondents sabotage this ongoing Federally Filed Lawsuit Case with a total of (7) seven Counts of Obstructing Federal Justice and (2) two courts of Perjury to ensure that this case never see a day in Federal Court (28 U.S.C. &2403(a).

b.) If the Petitioner tries to Re-File his Petition back into Federal Court, the Respondents have got to conceal and cover up any and all (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjury from ever becoming a issue in this Federal Case where by the Respondents must create a Default in the Petitioner's Federally Filed Lawsuit Case (1:02-CV-2197) prior to the Petitioner's August 08, 2002 Lawsuit Filing because this Federally Filed Lawsuit Case came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 where the Respondents and the Respondents' Attorneys must deliberately perjure themselves by creating Perjured Non-Existence September 10, 2001 lie and Perjured Non- Existence 180 days lie while unconstitutionally and discriminatorily making these lies apart of the Petitioner's Federally Filed Lawsuit Case (1:02-CV-2197).

On Appeal from the United States District Court for the Northern District of Georgia

---

BEFORE: ANDERSON, BIRCH, AND HULL, Circuit Judges

BY THE COURT:

Parties must submit all issues on appeal in their initial briefs, See Fed.R. App. 28(a)(5); 11th Cir. R. 28-1(h). Parties cannot raise new issues by filing supplemental briefs. See, e.g.,

Appendix D

United States v. Nealy, 232F.3d825, 830-831(11th Cir.2000); see also United States v. Levy, 416F.3d 1273, 1275-1276 (11th Cir. 2005) (discussing Court's prudential rule of declining to consider issues not timely raised in a party's initial brief). Appellant's February 27, 2006, motion for leave to file a supplemental brief, also construed as a motion for leave to supplement the record, is there DENIED.

(**The Petitioner's Footnote Comments and Argument**: The Petitioner filed a Supplemental Brief in Response to the Respondents' filing Supplemental Briefs where the Respondents filed new information to the Court of Appeals that amended, altered, changed, added, and deleted information from their initial brief where these acts of the Respondents have always been GRANTED, and the Petitioner's Supplemental Brief is DENIED where the Petitioner would like to know as to what kind of Justice is that. The Petitioner is the only Legitimate Party within any of these proceedings that has a Legitimate Complaint and Argument that are in total compliances of all State, Federal, and Constitutional Laws **where Magistrate Judge, District Judge, and Appeal Judges herein the State of Georgia cannot unconstitutionally and discriminatorily use "the doctrine of res judicata" with a Perjured Non-Existence September 10, 2001 lie and a Perjured Non-Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, and Justify the Respondents' Criminal Conduct and Activities after August 08, 2002 of (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjury (28 U.S.C. &2403(a)).)**

Appellant's motion for reconsideration of the Court's February 9, 2006, order is DENIED.

Appellant's initial brief does not address the reasons why the district court granted Appellees' motion to dismiss the

Appendix D

complaint, much less provide any reason why the judgment should be reversed. Instead, Appellant argues that his Title VII was meritorious and should not have been dismissed. The merits of Appellant's Title VII claim are not properly before the Court. Accordingly, this appeal is hereby DISMISSED as being frivolous and entirely lacking in merit. See 11th Cir. R. 42-4. The Clerk is directed to close the file on this appeal.

(The Petitioner's Footnote Comments and Argument: The Petitioner has supplied Legitimate Documented Evidences and Proof as to proven to the United States District Court and to the United States Court of Appeals that all of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) are legitimate cases under Title I, V, and VII where the Petitioner has proven beyond any shallows of any doubts that the Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) was filed within the legal filing limits of the E.E.O.C. 300 days and 90 days statues that came under the Federal Judiciary Protection Powers of the Federal Courts on and after August 08, 2002 where a Judgment has never been rendered on this Federally Filed Lawsuit Case (1:02-CV-2197) where the Petitioner's August 08, 2002 Federally Filed Lawsuit Case (1:02-CV-2197) was never properly Dismissed in accordance with the Georgia State Law of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Titles I, V, and VII **where the Magistrate Judge, the District Judge, and the Appeals Judges herein the State of Georgia cannot unconstitutionally and discriminatorily use "the doctrine of res judicata" with a Perjured Non-Existence September 10, 2001 lie and a Perjured Non-Existence 180 days lie as reasons, grounds, and merits to Dismiss, Cover Up, and Justify the Respondents' Criminal Conduct and Activities after August 08, 2002 of (7) seven counts of Obstructing Federal Justice and (2) two counts of Perjury (28 U.S.C. &2403(a)).)**

APPENDIX E – AFTER THE PETITIONER REQUESTED RECONSIDERATION FROM THE COURT OF APPEALS, THE APPEAL JUDGES HEREIN THE STATE OF GEORGIA ISSUED THIS DENIED ON MAY 17, 2006 WHERE THE APPEAL JUDGES HAVE REFUSED AGAIN TO COMPLY WITH ANY STATE, FEDERAL, AND CONSTITUTIONAL LAWS OF ENFORCING THE GEORGIA STATE LAW OF UNDISCLOSED DUAL AGENCY AND THE FEDERAL RETALIATION AND DISCRIMINATION LAWS OF THE E.E.O.C. AND THE UNITED STATES CONSTITUTION UNDER TITLE I, V, AND VII AFTER THE PETITIONER'S AUGUST 08, 2002 LAWSUIT FILING THAT WAS FILED WITHIN THE LEGAL FILING LIMITS OF THE E.E.O.C. 300 DAYS AND 90 DAYS STATUES THAT CAME UNDER THE FEDERAL JUDICIARY PROTECTION POWERS OF THE FEDERAL COURT ON AND AFTER AUGUST 08, 2002:

Appendix E

As nothing in Appellant's motion for reconsideration identifies any legal or factual error in our order dismissing this appeal as frivolous and entirely without merit, the motion is **DENIED**.

(The Petitioner's Footnote Comments and Argument: These are the facts from the Petitioner's Point of view: **The Respondents' Unconstitutional Anti-E.E.O.C. Jim Crow Conspiracy Scam** would have never worked without the full support and cooperation of the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia where the Magistrate Judge, the District Judge, and the Appeal Judges herein the State of Georgia have proven that they do not have any desires or interests as to enforcing any State, Federal, or Constitutional Laws around the Petitioner's August 08, 2002 Lawsuit Filing as Black Disabled United States American Citizen, especially the enforcement of State, Federal, and Constitutional Laws that will prove that "the doctrine of res judicata" does not apply or exist in any of the Petitioner's Federally Filed Lawsuit Cases that are filed under this Federal Case (1:02-CV-2197) with a Perjured Non-September 10, 2001 lie and a Perjured Non-Existence 180 days lie where these Judges have access to documented evidences and proof submitted before them that have already proven that the Petitioner's Federally Filed Lawsuit Cases have been legitimately filed under Title I, V, and VII after the Petitioner's August 08, 2002 Lawsuit Filing (1:02-CV-2197), but the Magistrate Judge, the District Judge, and the Appeals Judges herein the State of Georgia are not going to enforce the Georgia State Law of Undisclosed Dual Agency and Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Titles I, V, and VII against the Respondents and around the Petitioner as a Black Disabled United States American Citizen **where the Respondents' Unconstitutional Anti-E.E.O.C. SURGERY: Emmett was taken to surgery on 10 /18/ 01 where open exploration of his elbow revealed a radial head fracture. It was commiruted involving the anterior 55% of the radial head with the forearm in neutral rotation. This was unfixable. This was debrided and the remaining 45% was left behind. The patient has also experienced a coranoid avulsion fracture which was fixed through a separate incision. Thirdly, the patient underwent a ligament repair of the posterolateral quadrant of the elbow as the ligament had been stripped off the posterior aspect of the lateral column. These were fixed with 5 mini mitec suture anchors as well as fixing the lateral ulnar collateral ligament origin which had been avulsed off of the lateral epicondyle. This was a very complex injury requiring the use of Amenda Scherger as my first assistant.

To Whom it May Concern:

Mr. Emmett Williams is being treated for hypertension. He has an on-going problem with his right elbow following a fall. He was status post elbow surgery on 10/18/01, but unfortunately this did not correct the deformity. He has lost function of his elbow and is unable to fire his revolver. I recommend that he stay on light duty until completion of his treatment with his orthopedist. He should be allowed to take time off work because of his disability.

APPENDIX O– THIS IS THE PETITIONER'S STATEMENT REGARDING THE NON-ESTABLISHED WORKING RELATIONSHIP THAT NEVER EXISTED BETWEEN THE PETITIONER AND MARK WILLIAMS FROM MAY 2002 TO SEPTEMBER 2002 IN ACCORDANCE WITH THE STATE OF GEORGIA DOD POLICIES, PROCEDURES, GUIDELINES, AND REGULATIONS WHERE THE RESPONDENTS VIOLATED AND BROKEN THE STATE AND FEDERAL RETALIATION AND DISCRIMINATION LAWS OF THE LAND

PETITIONER'S STATEMENT REGARDING MARK WILLIAMS

The Petitioner would like to extinguish any false allegations as to Mark Williams' Role of being the Petitioner's Supervisor from this time period of **May 2002** through **September 2002.** **Mark Williams is a civilian worker that works in the Facilities Management Office over the Clerks** that is not in the National Guard or an active Guard Member. The Petitioner's Departmental Section as the State Facility Police is funded through the National Guard Bureau as a Federal Funded Program with the Georgia National Guard as being the overall Appointing Authority through the Military Support Office under the Chief of Staff.

In the entire history of the DOD State Facility Police there have never been a civilian office clerk Supervisor over the DOD Facility Police that do not hold any ranks within the Departmental Section of the DOD State Facility Police or in the Georgia National Guard. As a civilian supervisor like the Petitioner, you must hold rank within the Departmental Section as Sergeant, Lieutenant, or Captain or be a member of the Georgia National Guard.

Mark Williams was not holding any positions within the ranks of the State Facility Police as a Sergeant, Lieutenant, or Captain, and Mark Williams was not actively in the Georgia National Guard.

APPENDIX O

The Petitioner requested a letter of appointment and assignment from the State of Georgia National Guard Administration's Appointing Authority or Personnel Office as to whom was Mark Williams, as to what was his assignment over the Petitioner, as to what was his overall assignment over the Petitioner's Departmental Section, and what was his position or job title over the Facility Police Sergeant. The Petitioner has never received a response back from that inquiry.

Mark Williams worked in the Facilities Management Office all day during the day during normal business hours, and the Petitioner worked during the evening and early morning hours at night after normal business hour. Mark Williams has never observed the Petitioner's working Performance for one single moment during any 8 hours shift after normal business hours, and out of the 4 times that the Petitioner has actually went to Mark Williams' office for meetings that it would be hard to put together a total of 2 full hours that the Petitioner and Mark Williams were together during or within these 5 months from May 2002 to September 2002.

According to the State of Georgia DOD Policies, Procedures, Guidelines, and Regulations, Mark Williams has never established a working relationship with the Petitioner where a required upon properly signed prerequisite Performance Management Plan (P.M.P.) was put in place.

A required upon properly signed Performance Management Plan (P.M.P.) and the yearly Evaluation are one in the same. It is just that the Performance Management Plan (P.M.P.) comes in the beginning of the Performance Management Period for a signing agreement of all parties of Job Expectations, and the Evaluation comes at the end of the that Performance Management Period to be rated on those expectations.

It is absolutely impossible to make up an Evaluation on any State of Georgia DOD Employee without establishing an agreed upon properly signed prerequisite Performance –

APPENDIX O

Management Plan (P.M.P.) first at the very beginning of the Performance Management Period where in the case with Mark Williams, he would have established a Performance Management Plan (P.M.P.) within the Petitioner's Personnel Filed in the month of May 2002 in accordance with the State of Georgia DOD Policies, Procedures, Guidelines, and Regulations that was never done in the Petitioner's case.

This is the reason why that it is impossible to terminate any State of Georgia DOD Employee under these conditions surrounding the Petitioner without a required upon properly signed prerequisite Performance Management Plan (P.M.P.).

It is very easy to see how the Attorney Charles D. Best and the Respondents under an illegal, unlawful, and unconstitutional undisclosed Dual Agency Relationship violated, discriminated, perjured, and broken all of the Georgia State Laws of Undisclosed Dual Agency and the Federal Retaliation and Discrimination Laws of the E.E.O.C. and the United States Constitution under Title I, Title V, and Title VII when it is impossible for the Respondents to come up with a P.M.P. that they never established in the first place where it is impossible for the Respondents to have terminated the Petitioner's Employment under these conditions surrounding the Petitioner's Case.

The Attorney Charles D. Best and all of the Respondents are guilty of Racial Retaliation, Racial Discrimination, Perjury, Obstructing Federal Justice, Wrongful Termination, Wrongful Prosecution, Defamation of Character, Slander and "et al.".

APPENDIX P – THE FRONT PAGE OF THE STATE OF GEORGIA DOD PERSONNEL POLICIES AND PROCEDURES WITH AN EFFECTIVE DATE OF MAY 01, 1998 WITH PROVISIONS OF 1A, 1B, AND 1C

GEORGIA DEPARTMENT OF DEFENSE

PERSONNEL POLICIES AND PROCEDURES

SUBJECT: PROGRESSIVE DISCIPLINE **Page 1 of 4**

APPROVED BY: /s/ William P. Bland Jr **EFFECTIVE:** May 1, 1998
WILLIAM P. BLAND, JR.
Major General, GA ANG
The Adjutant General

PURPOSE: To ensure that employees are provided a proper direction in achieving optimum performance, and to promote sound management practices in directing the work of the Georgia Department of Defense and its employees.

POLICY: The Georgia Department of Defense requires that all managers and supervisors take prompt, progressive, and appropriate steps to correct unacceptable job behavior or performance deficits. These measures are intended to inform the employee of behaviors that are unacceptable, and to assist the employee in taking responsibility for prompt corrective action and improved performance.

APPLICATION: All state employees of the Georgia Department of Defense.

PROVISIONS:

1. **ORIENTATION AND COUNSELING.**

   A. At the beginning of the employment period, the supervisor will give the employee a copy of his/her **job description and Performance Management Plan (P.M.P.).**

   B. The supervisor will discuss with the employee the expected work standards and policies that are applicable to the employee's position, and the

interest of the division in the employee's services. The explanation given to the employee by the supervisor should be clear and precise to ensure that employee understands **what is expected.**

C. Although there may be duties required of the employee that are not included in his/her PMP, such necessary and job-related duties may be assigned to the employee, and the employee will be expected to perform them. If such duties are of long duration or become a significant part of the job, it is the supervisor's responsibility to **amend the PMP accordingly**.

MEMORANDUM FOR
Sgt. E. L. Williams, Facility Police

SUBJECT: Response to New Schedule Inquiry

1. This memorandum is in response to your memorandum concerning a new duty hour schedule. I have reviewed your memorandum and have discussed this situation extensively with you. The following provides you direct guidance for administering the DOD facility police schedule at the Atlanta DOD Reservation. This schedule will be accomplished using scheduled duty shifts not to exceed 12 hours. **The Facility Police Sergeant is responsible** to schedule duty shifts for his employees. **He has total authority to schedule employees to fill the required shifts as specified by the Military Support Office**.

2. **GENERAL.**

   a. **Hours required for security: 136 hrs. on a normal week.**

      1. **Total number of permanent employees: 3 (to include 1 Sergeant)**
      2. **Total number of casual employees available for Sat.– Man./ :3.**

Appendix Q

DCS-OPS-MS (190)

b. Other consideration:

1. Reserve Drill one weekend a month for one permanent employee.
2. Time for the Police Sergeant to supervise and not work all shifts.
3. Time for employees to take leave and have at least two days off a week.
4. Keep overtime to an absolute minimum.

3. FACTS.

a. There are 8 – 8hrs shifts required between Tuesday beginning at 1600 and Saturday at 0800. 64 hours total.

b. There are 72 hours required between 0800 on Saturday and 0800 on Tuesdays. This can be accomplished using 8 or 12 hour shifts. Casual employee use should be maximized.

c. A minimum of 16 hours must be worked by casual employees to prevent overtime. The desire is to allow use of the casual employees on weekends to provide the Sergeant supervisory time and to allow flexibility for permanent employee leave and time off. **Example**: If casual employees work 3-12 hour shifts over the weekend, 20 additional hours are free to divide for supervisory time or leave time. If casual employees work 4-12 hour shifts on the weekend, 32 hours are available to divide for leave time and supervisory time.

4. OBSERVATION. During the last two years I have listened to many concerns and problems areas. I have also received various complaints over the way

Appendix Q

DCS-OPS-MS (190)

past operations have been conducted. The following observations and comments are provided:

a. The Sergeant is not allowed supervisory time on the clock. (The Sergeant has to pull shifts.)
b. The Sergeant has to wear his own personal pager.
c. The Sergeant is not given authority to conduct his affairs **without** interference from the administration.
d. The Sergeant has to be concerned with keeping the budget balanced.
e. The old schedule did not work and it was similar to the one proposed by management.
f. The Sergeant receives no "perks" as a supervisor.

5. OBSERVATION RESPONSE.

a. **The Sergeant** is provided guidelines for scheduling security shifts. **He has the authority and responsibility** to ensure that the shifts are adequately covered. **This also includes scheduling leave for himself and employees**. This also provides **authority and options to schedule supervisory time** not to exceed 16 hours per week. This does not preclude that situation such as 4 day holiday weekend will need additional staffing. I cannot reiterate enough that casual employees should be maximized in situations where additional staffing is required. Additional staffing is not, as a rule, an opportunity for permanent employees to gain Compensation time. If casual employees are managed with care,

Appendix O

DCS-OPS-MS (19

permanent employees can enjoy scheduled leave time without other permanent employees having to always work excessive hours or overtime.

b. **The Sergeant** is no longer required to rely on his personal pager for facility police business. A state of the art, statewide pager, was provided to the Sergeant recently. The Sergeant has the opportunity to stay in contact with his subordinates and supervisors at any given time provided the calls are returned when paged and the pager is turned on. This should alleviate any communication problem that may occur if the Sergeant leaves the local area. As a Supervisor, the Sergeant must telephonically handle pagers on occasion when not on the clock. The Sergeant must also ensure that his subordinates are properly trained to page him and to handle possible emergency situations.

c. **The Sergeant has the authority** to handle situations and should do so to the **Maximum Extent Practical and within the authority granted to him**. The administration has no desire to interfere with the supervisory duties of the Facility Police Sergeant. **The Sergeant**, as has always been the case, **is expected to run the day to day Department Operations**. The administration expects compliance with guidelines and parameters for the Department. It is the **RESPONSIBILITY of the Sergeant** to ensure that administration Policies and Directives are **Implemented and Enforced**.

Appendix R

This is the Petitioner's Actual Performance and Actual Performance Rating list as an Evaluation of the already established required upon properly signed prerequisite Performance Management Plan (P.M.P.) as the prevailing P.M.P. and Evaluation until a new P.M.P has been established.

(a.) Sgt Williams responds as necessary. He is diligent in efforts to keep me informed. During the rating period he assisted other law enforcement officers with investigation being conducted by another agency. **The Expectations Performance Rating was MET.**

(b.) Sgt. Williams has made great improvement in controlling vehicle access to this reservation during the hours the security force is present. He is operating new sophisticated monitoring equipment to record activity on the complex. He works diligently to control the speed on the reservation. Gates and doors are locked and unlocked as required. **The Expectations Performance Rating was MET.**

(c.) Sgt. Williams checks the main gate as required and is very diligent in checking behind the building owners for unsecured doors and windows. **The Expectations Performance Rating was EXCEEDED.**

(d.) Sgt. Williams always ensure that I am informed as incidents occur. Written reports were not required during this rating period since no significant activities occurred. **The Expectations Performance Rating was EXCEEDED.**

Appendix R

(e.) Sgt. Williams completes a schedule for subordinates to maintain coverage of the complex. I have personal knowledge of his attempts to assist subordinates with personal situations which indicates that he does attempt to make himself available. Time sheets are completed for his people. However, timeliness in getting them to me could use some improvement. Sgt. Williams has the delegated authority to hire and fire those on his subordinate staff. **The Expectations Performance Rating was MET.**

(f.) Prepared work plans for all employees. Keeps me informed of ongoing situation with subordinate employees. Stands up for his people. Sgt. Williams does an exceptional job with extremely limited resources in personnel, equipment, and transportation. **The Expectations Performance Rating was EXCEEDED.**

(g.) Sgt. Williams works hard to be a team player. He is considerate of others and accepts responsibilities. He recognizes his people for jobs well done and works to resolve conflicts as they arise. **The Expectations Performance Rating was MET.**

(h.) Sgt. Williams is respectful to his customers, offers options, responds to customers promptly, and his a genuine concern for the safety and protection of the employees of the Confederate avenue reservation. **The Expectations Performance Rating was MET.**

(i.) Sgt. Williams has a can do attitude in spite of the extremely limited resources available to him. Williams is resourceful and accepts feedback from supervision. **The Expectations Performance Rating was EXCEEDED.**

Appendix R

(j.) Works when scheduled. **The Expectation Performance Rating was MET**.

(k.) Requests leave appropriately IAW established policies. **The Expectations Performance Rating was MET.**

(l.) Williams takes pride in appearance and is working diligently to get all security personnel in matching uniforms despite constraints. **The Expectations Performance Rating was MET.**

(m.) IAW established policies and regulations. **The Expectations Performance Rating was MET.**

(n.) Observe all stated rules and policies. **The Expectations Performance Rating was MET.**

This rating reflects my evaluation of the employee's performance. I have discussed this evaluation with the employee. Sgt. Williams' heart appears to be in the right place with a genuine emphasis on the safety and welfare of the employees of the Confederate Avenue Complex being top priority. Limited resources in the area of uniforms, equipment, manpower, and transportation make his job very difficult. The reservation needs security around the clock. With additional resources, I'm confident Sgt. Williams and his team of people could do an outstanding job of securing the installation. In fairness to Sgt. Williams, he should be supervised and managed by someone with knowledge in the area of physical security and law enforcement.

Re: **In the Matter of Charles Douglas Best**
State Disciplinary Board Docket No. 4914

Dear Sgt. Williams:

The Investigative Panel of the State Disciplinary Board has concluded its investigation into the grievance that you filed against Charles Best. Mr. Best never filed any response to your complaint and at its meeting on July 8, 2005, the Panel issued a Notice of Discipline recommending that the Supreme Court disbar him.

The Panel had seven other cases before it regarding Mr. Best. Apparently he has abandoned his practice. We have

received word that he is a resident in a facility for people who suffer from alcoholism or drug abuse, but have not been able to contact him there.

It is likely that the Court will enter an order disbarring Mr. Best if he does not file any response to the Notices of Discipline. I will be in touch with you when the Supreme Court enters an order in this matter; in the meantime, feel free to contact me or Deborah Grant, my assistant, if you have questions.

Sincerely,

/s/ Paula Frederick

Re: **In the Matter of Charles Douglas Best**
State Disciplinary Board Docket No. 4914

Dear Sgt. Williams:

On November 21, 2005, the Supreme Court of Georgia entered an Order disbarring Charles Douglas Best from the practice of law in Georgia. I have enclosed a copy of the Order for your records.

I spoke to Mr. Best last month. He is Presently a patient at Bethel Christian Homes, where he is being treated for an undisclosed problem. I have not been able to get information from Mr. Best regarding your case or the whereabouts of your client file.

Appendix X

With entry of the Court's Order, our investigation of Mr. Best is over. However, you may wish to file a claim with the State Bar of Georgia's Client' Security Fund, which is sometimes able to reimburse money that former clients have lost as the result of a lawyer's dishonest conduct. You may be able to recover some of the fees that you paid Mr. Best by filing an application to the Clients' Security Fund. I have enclosed a brochure that describes the Fund and an application form for your use.

If you have not already done so, you will need to hire another lawyer to complete the legal matter that Mr. Best was handling for you. Good Luck with your case

Sincerely,

/s/ Paula Frederick

In the Supreme Court of Georgia

Decided: NOV 21 2005

S05Y1880; S05Y1881; S05Y1882; S05Y1883;
S05Y1884; S05Y1885; S05Y1886; S05Y1887

IN THE MATTER OF CHARLES DOUGLAS BEST

PER CURIAM.

These disciplinary matters are before the Court on the Notices of Discipline filed by the State Bar against Respondent Charles Douglas Best in which it recommends that Best be disbarred for his violations of Rules 1.3; 1.4; 8.4 (a) (4); and 9.3 of the Rules of Professional Conduct found in Bar Rule 4-102 (d). The State Bar Served Best by publication in accordance with Bar Rule 4-203.1 (b) (3) (ii) but Best failed to reject the notice within 30 days of service, see Bar Rule 4-208.3 (a), and accordingly, he in default, has no right to an evidentiary hearing and is subject to the discipline of this Court. See Bar Rule 4-208. 1(b).

Footnote:

We note that, for the first time, Best has filed a petition for voluntary surrender of his license with this Court. In general, However, such petitions may be submitted prior to the issuance of a formal complaint for the consideration by the State Bar, not this Court. See Bar Rule 4-227 (b).

Appendix X

In each of the eight cases, Best accepted representation and fees, but took little or no action to pursue his clients' cases. His telephone numbers were disconnected and he moved from his office with no forwarding address. He did not contact or communicate with his clients, nor did he take any action to protect their rights. Accordingly, we agree with the name of Charles Douglas Best be removed from rolls of attorneys authorized to practice law in the State of Georgia. He is reminded of his duties under Bar Rule 4-219 (c).

Disbarred. All the Justices concur.

Footnote:

Therefore, we do not consider Best's untimely petition, and it does not change the outcome in this case.
